Dear Mr Rakovski

CERTIFICATE OF APPROVAL OF PRESCRIBED ELECTRICAL EQUIPMENT
POWER SUPPLY
ELVPSU
MODEL NO. GT21148-**-T* SERIES**

I am pleased to advise that your application for approval of the above mentioned electrical equipment has been approved.

The registration number allocated to the electrical equipment is Q060608. This registration number must be marked on all electrical equipment covered by the enclosed. Alternatively you may use the Regulatory Compliance Mark (RCM) in lieu of the registration number. Please advise this office if you intend to use the RCM in lieu of the registration number.

Please note that it is a requirement of the Electrical Safety Act and Regulations 2002 that if you modify the electrical equipment in any way you are required to notify this office of the details of the modifications for approval. An application for modification form is available from this office.

If you have supplied a sample of the product for examination, please arrange to collect the sample within thirty days of the date of this letter. If the sample has not been collected by this date it will be disposed of in accordance with section 118⁴ of the Electrical Safety Regulation 2002.

You are reminded that it is mandatory for all plugs manufactured or imported to incorporate insulated live pins from 3 April 2005. It is required that all electrical equipment with out insulated pin plugs, be sold from all points of sale, by 3 April 2006.

Yours sincerely

A handwritten signature in black ink, appearing to read "B. Richardson".
