

# Certificate of Conformity

No. ESTE-E1504021

The following products have been tested by us with the listed standards and found in compliance with the council EMC directive 2004/108/EC. It is demonstrative for the compliance with this EMC Directive.

**Applicant** : GlobTek, Inc.  
**Address** : 186 Veterans Dr. Northvale, NJ 07647 USA  
**Trade Name** :   
**Product** : ITE POWER SUPPLY  
**Model No** : GT-83080-WW05-USB-W2Z  
(WW, Z are variables, Refer to section 1.3)

| Test Standards :               |                                                                                                                                                                                                                                                                     |
|--------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| EN 55022:2010<br>CISPR 22:2008 | Limits and methods of measurement of radio disturbance characteristics of information technology equipment                                                                                                                                                          |
| EN 61000-3-2:2014              | Electromagnetic compatibility (EMC) --<br>Part 3-2: Limits - Limits for harmonic current emissions (equipment input current up to and including 16 A per phase)                                                                                                     |
| EN 61000-3-3:2013              | Electromagnetic compatibility (EMC) --<br>Part 3-3: Limits - Limitation of voltage changes, voltage fluctuations and flicker in public low-voltage supply systems, for equipment with rated current $\leq 16$ A per phase and not subject to conditional connection |
